Romans 7:15-25a

I do not understand my own actions. For I do not do what I want, but I do the very thing I hate. <sup>16</sup> Now if I do what I do not want, I agree that the law is good. <sup>17</sup> But in fact it is no longer I who do it but sin that dwells within me. <sup>18</sup> For I know the good does not dwell within me, that is, in my flesh. For the desire to do the good lies close at hand, but not the ability. <sup>19</sup> For I do not do the good I want, but the evil I do not want is what I do. <sup>20</sup> Now if I do what I do not want, it is no longer I who do it but sin that dwells within me. <sup>21</sup> So I find it to be a law that, when I want to do what is good, evil lies close at hand. <sup>22</sup> For I delight in the law of God in my inmost self, <sup>23</sup> but I see in my members another law at war with the law of my mind, making me captive to the law of sin that dwells in my members. <sup>24</sup> Wretched person that I am! Who will rescue me from this body of death? <sup>25</sup> Thanks be to God through Jesus Christ our Lord!

Perhaps most of us, if not all of us, can relate to this passage written by Paul. Seems so often in our lives we want to do good but find ourselves being pulled toward what is bad whether it be through peer pressure or just our own innate desires. Truth is, we are faced with choices every day and at times we make the wrong choice. Although people laugh when they hear this, we even make a choice whether or not to get up in the morning. And another truism is this: We can choose to be happy or sad or angry. Life is full of choices!

The words of Eleanor Roosevelt ring true: "One's philosophy is not best expressed in words. It is expressed in the choices one makes. In the long run, we shape our lives, and we shape ourselves. The process never ends until we die. And the choices we make are ultimately our responsibility."

Paul is clear about taking ownership of our choices, rather than blame others.

May the God who chose us, be chosen by you.

Wes

## **PUTTING LIGHT ON AN IMPORTANT SUBJECT**

For several months now **we have found lights on** in the buildings when the building is not in use.

In particular, **we have found the lights on** in the parlor many times. It appears someone turns on the lights to look in the parlor but does not turn them off.

There have been lights on in hallways, upstairs and in the choir room in the Education Building.

Lights **have been found on** in the kitchen, pantry and closets in the Administration Building. And, at times, after one of the buildings has been in use, the **thermostats have been turned down, but not back up**. It is very important we be good stewards of that which we have been blessed to have. Please help us keep our utility bill down year-round.

**THANK YOU.**

**World Population Day** is an annual event, observed on July 11 every year, which seeks to raise awareness of global population issues. The event was established by the Governing Council of the United Nations Development Program in 1989. It was inspired by the public interest in Five Billion Day on July 11, 1987, the approximate date on which the world's population reached five billion people. World Population Day aims to increase people's awareness on various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights.

The day was suggested by Dr. K. C. Zachariah in which population reached five billion when he worked as Sr Demographer at World Bank. While press interest and general awareness in the global population surges at the increments of whole billions of people, the world population increases by 100 million approximately every 14 months. The world population was estimated at 7,400,000,000 on February 6, 2016, and reached 7,500,000,000 on April 24, 2017. The world population hit 7,700,000,000 in 2019.

On World Population Day, advocates from around the world call on leaders, policymakers, grassroots organizers, institutions and others to help make reproductive health and rights a reality for all.

# HOPE REMAINS WILL MEET TUESDAY, JULY 11<sup>TH</sup>, IN HeBREWS

It has been said, “We never truly get over a loss, but we can move forward and evolve from it.” While this is true, it is a process many of us never fully move through, especially if we experience the loss of a child. So often, we get “stuck” in a stage of grief and remain there. This is the reason groups that deal with grief are so important; they help us move through the stages so we can move forward and evolve. Sadly, such groups are often not advertised, promoted, or supported by local organizations.

Here at Central Christian Church, we are very blessed to have such a group and we want to promote this organizations work. The ***Hope Remains*** Chapter of Texarkana meets in the Community Room on the ***2<sup>nd</sup> Tuesday of each month from 6 to 8 p.m.*** The focus is for parents and grandparents grieving the loss of a child or grandchild.

The mission of Hope Remains is to offer a safe place where any and all emotions may be freely expressed. There may be tears shed at the meetings. There may be laughter and smiles shared as precious memories of a child, grandchild, or sibling is recalled. And there will always be acceptance, friendship and hope offered at the meetings.

If you have suffered the loss of a child or grandchild and wish to join this greatly needed organization, please contact Cindy Sanford at (903) 280-4130.

In our Sanctuary/Education building we have three areas where we try to maintain an energy efficient temperature; that can be adjusted as needed. These areas are the sanctuary, the parlor, and HeBrews. Each area has their own controls.

In an attempt to help us control the cost of heating and cooling our Sanctuary/Education building we are asking everyone to help keep doors in these areas shut at all times. When doors are left open, the heat goes up the staircases to the hallway and upper rooms and the A/C goes into rooms we are not using downstairs.

The parlor has two doors we need to keep closed, HeBrews has two doors into hallway we need to keep closed, and the kitchen door to the hallway we need to keep closed. In the area where the water fountain and women's restroom are, the door going up the steps into back of the sanctuary and the door in the hallway leading to HeBrews need to be kept closed.

With everyone's help we can save on the cost of gas and electricity.

Thank You!

Your Property Committee

# ***The Journey Sunday School Class will continue our study of***

## **The Gospel of Matthew**

**We hope you will join us.**

***The Journey class* meets **in the  
Library** in the Community Center.**

The Gospel of Matthew is the first book of the New Testament of the Bible and one of the three synoptic Gospels. It tells how Israel's Messiah, Jesus, comes to his people and forms a community of disciples, of how he taught the people through such events as the Sermon on the Mount and its Beatitudes, and how Israel becomes divided and how Jesus condemns this hostile Israel. This culminates in his departure from the Temple and his execution. At this point many people reject Jesus, and on his resurrection he sends the disciples to the gentiles.

Matthew seems to emphasize that the Jewish tradition should not be lost in a church that was increasingly becoming gentile. The gospel reflects the struggles and conflicts between the evangelist's community and the other Jews, particularly with its sharp criticism of the scribes and Pharisees with the position that through their rejection of Christ, the Kingdom of God has been taken away from them and given instead to the church. The divine nature of Jesus was a major issue for the Matthaean community, the crucial element separating the early Christians from their Jewish neighbors; while Mark begins with Jesus' baptism and temptations, Matthew goes back to Jesus' origins, showing him as the Son of God from his birth, the fulfillment of messianic prophecies of the Old Testament. The title Son of David identifies Jesus as the healing and miracle-working Messiah of Israel (it is used exclusively in relation to miracles), sent to Israel alone. As Son of Man he will return to judge the world, an expectation which his disciples recognize but of which his enemies are unaware. As Son of God, God is revealing himself through his son, and Jesus proving his sonship through his obedience and example. Most scholars believe the gospel was composed between AD 80 and 90, with a range of possibility between AD 70 to 110; a pre-70 date remains a minority view. The work does not identify its author, and the early tradition attributing it to the apostle Matthew is rejected by modern scholars. He was probably a male Jew, standing on the margin between traditional and non-traditional Jewish values, and familiar with technical legal aspects of scripture being debated in his time. Writing in a polished Semitic "synagogue Greek", he drew on the Gospel of Mark as a source, plus a hypothetical collection of sayings known as the Q source (material shared with Luke but not with Mark) and hypothetical material unique to his own community, called the M source or "Special Matthew".

# PRAYER LIST

## IMPORTANT NOTE ABOUT PRAYER LIST

In recent discussions with the Southwest Region, it has come to our attention “The Prayer List” may be cause for litigation if we place people on it that have not given their personal consent to be placed on it.

It is a violation of HIPAA Law to release information about anyone without their personal consent. Therefore, we ask that you not call requesting that a “friend” be placed on the list unless you have their consent.

THANK YOU.
