## Hebrews 1:1-4, 2:5-12

Long ago God spoke to our ancestors in many and various ways by the prophets, <sup>2</sup> but in these last days he has spoken to us by a Son, whom he appointed heir of all things, through whom he also created the worlds. <sup>3</sup> He is the reflection of God's glory and the exact imprint of God's very being, and he sustains all things by his powerful word. When he had made purification for sins, he sat down at the right hand of the Majesty on high, <sup>4</sup> having become as much superior to angels as the name he has inherited is more excellent than theirs.

<sup>5</sup> Now God did not subject the coming world, about which we are speaking, to angels. <sup>6</sup> But someone has testified somewhere,

“What are humans that you are mindful of them  
or mortals that you care for them?

<sup>7</sup> You have made them for a little while lower than the angels;  
you have crowned them with glory and honor,

<sup>8</sup> subjecting all things under their feet.”

This beautiful passage from Hebrews reminds us we are a creation of God. Not only His creation but made for a little while lower than the angels. Equally important is God speaking to us “in many and various ways by the prophets,” and “by a Son.” The author intimates Jesus being “the reflection of God's glory and the exact imprint of God's very being.”

In reading this passage I wonder if we are aware of God speaking to us in many and various ways even today? It may be through someone we meet for only a moment and speak to only briefly, or a loved one who is with us a short time on this earth but brings us immeasurable joy for the brief time we have them in our lives. To say God is active in our lives is an understatement. God is beyond active, He is life itself as He speaks through so many people, through nature, and through circumstances and events we experience. God never misses an opportunity to speak to us throughout our lives in good times and bad. Have you taken a moment to experience God in your life?

May the God of love and joy fill your life! Wes

OCTOBER 8<sup>TH</sup>,  
IN THE COMMUNITY ROOM

It has been said, “We never truly get over a loss, but we can move forward and evolve from it.” While this is true, it is a process many of us never fully move through, especially if we experience the loss of a child. So often, we get “stuck” in a stage of grief and remain there. This is the reason groups that deal with grief are so important; they help us move through the stages so we can move forward and evolve. Sadly, such groups are often not advertised, promoted, or supported by local organizations.

Here at Central Christian Church, we are very blessed to have such a group and we want to promote this organizations work. The ***Hope Remains*** Chapter of Texarkana meets in the Community Room on the ***2<sup>nd</sup> Tuesday of each month from 6 to 8 p.m.*** The focus is for parents and grandparents grieving the loss of a child or grandchild.

The mission of Hope Remains is to offer a safe place where any and all emotions may be freely expressed. There may be tears shed at the meetings. There may be laughter and smiles shared as precious memories of a child, grandchild, or sibling is recalled. And there will always be acceptance, friendship and hope offered at the meetings.

If you have suffered the loss of a child or grandchild and wish to join this greatly needed organization, please contact Cindy Sanford at (903) 280-4130.

World Mental Health Day (10 October) is an international day for global mental health education, awareness and advocacy against social stigma. It was first celebrated in 1992 at the initiative of the World Federation for Mental Health, a global mental health organization with members and contacts in more than 150 countries. This day, each October, thousands of supporters come to celebrate this annual awareness program to bring attention to mental illness and its major effects on people's lives worldwide.

In addition, this day provides an opportunity for mental health professionals to discuss and shed light on their work, making mental health a priority worldwide. In some countries this day is part of an awareness week, such as Mental Health Week in Australia.

ON MONDAY, OCTOBER 14<sup>TH</sup>

THE CCC BOOK CLUB WILL MEET AT 1 P.M.

TO DISCUSS

THE WAGER: A Tale of Shipwreck, Mutiny and Murder

BY

DAVID GRANN

On January 28, 1742, a ramshackle vessel of patched-together wood and cloth washed up on the coast of Brazil. Inside were thirty emaciated men, barely alive, and they had an extraordinary tale to tell. They were survivors of His Majesty's Ship the *Wager*, a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain. While the *Wager* had been chasing a Spanish treasure-filled galleon known as "the prize of all the oceans," it had wrecked on a desolate island off the coast of Patagonia. The men, after being marooned for months and facing starvation, built the flimsy craft and sailed for more than a hundred days, traversing nearly 3,000 miles of storm-wracked seas. They were greeted as heroes.

But then ... six months later, another, even more decrepit craft landed on the coast of Chile. This boat contained just three castaways, and they told a very different story. The thirty sailors who landed in Brazil were not heroes – they were mutineers. The first group responded with countercharges of their own, of a tyrannical and murderous senior officer and his henchmen. It became clear that while stranded on the island the crew had fallen into anarchy, with warring factions fighting for dominion over the barren wilderness. As accusations of treachery and murder flew, the Admiralty convened a court martial to determine who was telling the truth. The stakes were life-and-death—for whomever the court found guilty could hang.

*The Wager* is a grand tale of human behavior at the extremes told by one of our greatest nonfiction writers. Grann's recreation of the hidden world on a British warship rivals the work of Patrick O'Brian, his portrayal of the castaways' desperate straits stands up to the classics of survival writing such as *The Endurance*, and his account of the court martial has the savvy of a Scott Turow thriller. As always with Grann's work, the incredible twists of the narrative hold the reader spellbound.

We hope you will join us

*The Journey class* meets **in the**  
**Library** in the Community Center.

The First Epistle to Timothy is one of three letters in the New Testament of the Bible often grouped together as the pastoral epistles, along with Second Timothy and Titus. The letter, traditionally attributed to the Apostle Paul, consists mainly of counsels to his younger colleague and delegate Timothy regarding his ministry in Ephesus (1:3). These counsels include instructions on the organization of the Church and the responsibilities resting on certain groups of leaders therein as well as exhortations to faithfulness in maintaining the truth amid surrounding errors.

Most modern scholars consider the pastoral epistles to have been written after Paul's death, although "a small and declining number of scholars still argue for Pauline authorship".

In our Sanctuary/Education building we have three areas where we try to maintain an energy efficient temperature that can be adjusted as needed. These areas are the sanctuary, the parlor, and HeBrews. Each area has its own controls.

It has now become necessary, in an attempt to control the cost of heating and cooling in our Sanctuary/Education building, to turn off ALL units except in the sanctuary. Therefore, the parlor and HeBrews will no longer have AC/Heating units on. If you wish to use the parlor or HeBrews, please let the Property Committee Chair, Lee Nailling, know. It will also be necessary to reserve the parlor or HeBrews by booking it through our Admin. Assistant, Tonya Shumake.

With everyone's help we can save on the cost of gas AND electricity.

## IMPORTANT NOTE ABOUT PRAYER LIST

In recent discussions with the Southwest Region, it has come to our attention that “The Prayer List” may be cause for litigation if we place people on it that have not given their personal consent to be placed on it.

It is a violation of HIPAA Law to release information about anyone without their personal consent. Therefore, we ask that you not call requesting that a “friend” be placed on the list unless you have their consent.

**THANK YOU.**
