## **1 Peter 1:17-23**

If you invoke as Father the one who judges impartially according to each person's work, live in fear during the time of your exile. <sup>18</sup> You know you were ransomed from the futile conduct inherited from your ancestors, not with perishable things like silver or gold <sup>19</sup> but with the precious blood of Christ, like that of a lamb without defect or blemish. <sup>20</sup> He was destined before the foundation of the world but was revealed at the end of the ages for your sake. <sup>21</sup> Through him you have come to trust in God, who raised him from the dead and gave him glory, so your trust and hope are in God.

<sup>22</sup> Now that you have purified your souls by your obedience to the truth, so you have genuine mutual affection, love one another deeply from the heart. <sup>23</sup> You have been born anew, not of perishable but of imperishable seed, through the living and enduring word of God.

A Scottish lawyer was a wicked man. Once he hired a horse and, either through accident or ill-usage, killed the animal. Naturally the owner insisted on being paid its value, together with some compensation for the loss of its use. The man of law acknowledged his liability and said he was perfectly willing to pay, but at the moment he was a little straightened for ready cash. Would the hirer of the animal accept a promissory note?

"Certainly," he said.

Where upon the lawyer further said he must be allowed a long date.

"You can fix your own time," said the creditor.

The wicked man then drew the note, making it payable at the Day of Judgment. Eventually the creditor took the matter to court, and there, in defense, the lawyer asked the judge to look at the note. He did so then said,

"The promissory note is perfectly good sir and as this is day of judgment, I decree that you pay tomorrow."

God judge's impartially regardless of any craftiness on our part. God loves you.

May the God of love be with you always, Wes

## **THURSDAY, APRIL 22<sup>ND</sup>**

The global theme for Earth Day 2026 is "Our Power, Our Planet," focusing on community-led environmental action, data-driven solutions, and collective power to drive change, moving beyond pledges to real infrastructure and policy, emphasizing that grassroots efforts are key to confronting polluters and securing a sustainable future. This theme highlights how local actions, from cleanups to advocacy, create lasting progress and strengthen community resilience against environmental challenges, driving accountability and building a green economy.

### **Key Aspects of the Theme:**

- **Shift to Participation:**  
Focuses on community engagement and grassroots organizing rather than just high-level pledges.
- **Real Infrastructure:**  
Promotes tangible solutions like clean energy and data-driven accountability as crucial infrastructure.
- **Community Resilience:**  
Stresses the role of cities, schools, and tribal nations in implementing solutions that improve reliability and safety.
- **Call to Action:**  
Encourages people to organize demonstrations, voter registration drives, and local initiatives to protect environmental laws and strengthen communities.

### **What it Means for You:**

- **Imperfect Action:**  
Encourages consistent, imperfect actions over eco-perfectionism, promoting real progress through collective effort.
- **Beyond One Day:**  
Connects personal choices and daily habits to the planet's future, making environmentalism a continuous commitment.
- **Local Power:**  
Emphasizes that individuals, families, and communities have the power to influence leaders and confront polluters.

The United States was one of the first countries in the world to celebrate Arbor Day, a holiday dedicated to tree planting.

National Arbor Day in the USA is celebrated on the last Friday in April. Besides, each state celebrates its own state tree planting holiday. Arbor Day was founded by Julius Sterling Morton, a Nebraska newspaper editor, agriculturalist and statesman. Morton was a respected agriculturalist fascinated with trees he planted numerous trees on his estate.

Currently, his former mansion and estate serve as Arbor Lodge State Historical Park. Morton came up with the idea of celebrating Arbor Day in the early 1870s. The first celebration was held in Nebraska on April 10, 1872.

Its participants planted an estimated one million trees throughout the state. By the 1920s, each state had passed laws that stipulated a certain day to be state Arbor Day. In some states, the holiday was named Arbor and Bird Day. In Nebraska, Arbor Day is a civic holiday. National Arbor Day in the United States was established as a state holiday in 1885. It was moved from April 10 (its original date proposed by Morton) to April 22 (Morton's birthday). In 1989, the holiday was moved to the last Friday in April. On this day, Americans are encouraged to plant trees, bushes, and plants (if weather conditions allow) and care for their national environment.

will be studying***

## **PHILIPPIANS**

We hope you will join us  
for this important study.

*The Journey class* meets **in the**  
**Library** in the Community Center.

The Epistle to the Philippians is a Pauline epistle of the New Testament of the Christian Bible. The epistle is attributed to Paul the Apostle and Timothy is named with him as co-author or co-sender. The letter is addressed to the Christian church in Philippi. Paul, Timothy, Silas (and perhaps Luke) first visited Philippi in Greece (Macedonia) during Paul's second missionary journey from Antioch, which occurred between approximately 50 and 52 AD. In the account of his visit in the Acts of the Apostles, Paul and Silas are accused of "disturbing the city".

There is a general consensus that Philippians consists of authentically Pauline material, and that the epistle is a composite of multiple letter fragments from Paul to the church in Philippi. 17 These letters could have been written from Ephesus in 52–55 AD or Caesarea Maritima in 57–59, but the most likely city of provenance is Rome, around 62 AD, or about 10 years after Paul's first visit to Philippi.

In our Sanctuary/Education building we have three areas where we try to maintain an energy efficient temperature that can be adjusted as needed. These areas are the sanctuary, the parlor, and HeBrews. Each area has its own controls.

It has now become necessary, in an attempt to control the cost of heating and cooling in our Sanctuary/Education building, to turn off ALL units except in the sanctuary. Therefore, the parlor and HeBrews will no longer have AC/Heating units on. If you wish to use the parlor or HeBrews, please let the Property Committee Chair, Jim Spears, know. It will also be necessary to reserve the parlor or HeBrews by booking it through our Admin. Assistant, Tonya Shumake.

With everyone's help we can save on the cost of gas AND electricity.

Thank You!

## IMPORTANT NOTE ABOUT PRAYER LIST

In recent discussions with the Southwest Region, it has come to our attention that “The Prayer List” may be cause for litigation if we place people on it that have not given their personal consent to be placed on it.

It is a violation of HIPAA Law to release information about anyone without their personal consent. Therefore, we ask that you not call requesting that a “friend” be placed on the list unless you have their consent.

**THANK YOU.**
