1 Kings 19:9-18

⁹ At that place he came to a cave and spent the night there.

Then the word of the LORD came to him, saying, “What are you doing here, Elijah?” ¹⁰ He answered, “I have been very zealous for the LORD, the God of hosts, for the Israelites have forsaken your covenant, thrown down your altars, and killed your prophets with the sword. I alone am left, and they are seeking my life, to take it away.”

¹¹ He said, “Go out and stand on the mountain before the LORD, for the LORD is about to pass by.” Now there was a great wind, so strong it was splitting mountains and breaking rocks in pieces before the LORD, but the LORD was not in the wind, and after the wind an earthquake, but the LORD was not in the earthquake, ¹² and after the earthquake a fire, but the LORD was not in the fire, and after the fire a sound of sheer silence. ¹³ When Elijah heard it, he wrapped his face in his mantle and went out and stood at the entrance of the cave. Then there came a voice to him that said, “What are you doing here, Elijah?” ¹⁴ He answered, “I have been very zealous for the LORD, the God of hosts, for the Israelites have forsaken your covenant, thrown down your altars, and killed your prophets with the sword. I alone am left, and they are seeking my life, to take it away.” ¹⁵ Then the LORD said to him, “Go, return on your way to the wilderness of Damascus; when you arrive, you shall anoint Hazael as king over Aram. ¹⁶ Also you shall anoint Jehu son of Nimshi as king over Israel, and you shall anoint Elisha son of Shaphat of Abel-meholah as prophet in your place. ¹⁷ Whoever escapes from the sword of Hazael, Jehu shall kill, and whoever escapes from the sword of Jehu, Elisha shall kill. ¹⁸ Yet I will leave seven thousand in Israel, all the knees that have not bowed to Baal, and every mouth that has not kissed him.”

Focusing on verses 11-12, brings us a very important lesson. While we may look for God and signs of God, it is in our moments of silence, “sheer silence,” that God comes to us. Why? Because God lives within us, each and every one of us. When we are silent, our minds and bodies are still, we can hear God speak to us.

May the God of silence continue to speak as only He can,

TO DISCUSS

ALL CREATURES GREAT AND SMALL

BY

JAMES HARRIOT

In *All Creatures Great and Small*, we meet the young Herriot as he takes up his calling and discovers that the realities of veterinary practice in rural Yorkshire are very different from the sterile setting of veterinary school. Some visits are heart-wrenchingly difficult, such as one to an old man in the village whose very ill dog is his only friend and companion, some are lighthearted and fun, such as Herriot's periodic visits to the overfed and pampered Pekinese Tricki Woo who throws parties and has his own stationery, and yet others are inspirational and enlightening, such as Herriot's recollections of poor farmers who will scrape their meager earnings together to be able to get proper care for their working animals. From seeing to his patients in the depths of winter on the remotest homesteads to dealing with uncooperative owners and critically ill animals, Herriot discovers the wondrous variety and never-ending challenges of veterinary practice as his humor, compassion, and love of the animal world shine forth.

NATIONAL WILDLIFE DAY

National Wildlife Day on September 4th encourages improved awareness of the species around us and in the broader world.

National Wildlife Day

This National Day focuses on endangered species, preservation, and conservation efforts around the world. Zoos, aviaries and marine sanctuaries provide a variety of ways to get involved.

No matter where you live, opportunities abound to learn and participate in the day.

Wildlife doesn't only exist in the forest or outside the city limits. Look closely. The creatures and animals sharing our world live under our feet and in the sky above us.

Our rivers, lakes and oceans are teeming with wildlife of all sizes. It's essential to understand how we impact the habitats that animals need to survive. Their homes supply their food and shelter.

Since wildlife relies on a stable habitat, understanding conservation and preservation is important. Developing strategies helps to maintain existing habitats and repair or replace those that have been destroyed. These strategies are especially important when a decline in a species is detected. For example, each year in

August, [International Whale Shark Day](#) brings attention to the plight of the world's largest fish. Despite efforts, the gentle giant continues to decline in numbers.

Around the world, facilities and organizations will present seminars and educational programs. Additionally, podcasts and documentaries alert us to the changing conditions for various species around the world. Some may be as close as your own backyard. From the sky to the depths of the ocean, wildlife surrounds us.

MONDAY, SEPTEMBER 7th, IS

LABOR DAY

To work is to pray is the motto the Order of St. Benedict adopted.

St. Benedict, the founder of the order, recognized the sacred value of hard work, the notion that through the sweat of our brows and the strength of our arms and backs, we can worship the Creator.

Each of us works, whether with our hands or with our minds. Whether we are builders and teachers, executives or students, all of us spend a good portion of our lives at work. How we do that work and how we treat those who labor to make our world what it is says a lot about how we see the world spiritually.

Let us come together to pray for our
workforce on this special day!

World Suicide Prevention Day, marked annually on 10 September, is organized by the International Association for Suicide Prevention, in conjunction with the World Health Organization (WHO).

The theme for 2024 – 2026 ‘Changing the Narrative on Suicide’ is about moving from a culture of silence and shame to understanding and support. It encourages people, communities, institutions and governments—all of us—to have open and honest discussions about suicide and suicidal behavior.

With an estimated 208 000 lives lost every year, suicide is a major issue in our South-East Asia Region. It remains one of the leading causes of death, affecting people of all ages, genders, and backgrounds.

By breaking the stigma surrounding mental health and suicide, we create a culture where people feel safe to seek help. It is vital to ensure that no one feels alone, and that everyone knows support systems and interventions are available.

Suicides are preventable — but prevention is not easy. It requires collective effort, awareness, and a commitment to fostering hope, healing, and connection. More than responding to individual crises, it is about building strong and inclusive communities where people feel connected, valued, and supported. Even small acts of kindness, honest conversations, or simply being present for someone can make a profound difference.

***The Journey Sunday School Class
will be studying***

GOSPEL OF MATTHEW

We hope you will join us
for this important study.

The Journey class meets **in the**
Library in the Community Center.

The Gospel of Matthew is the first book of the New Testament, one of the four canonical Gospels, and one of the three synoptic Gospels. It tells of Jesus, recording his birth, his ministry from his baptism by John the Baptist, his crucifixion, his resurrection, and his mission to the world. It emphasizes that Jewish tradition should not be lost in an increasingly gentile church and presents Jesus as the Jewish Messiah who fulfills the prophecies written in the Jewish scriptures.

The gospel reflects conflicts between Jewish Christians and other Jews, particularly with its criticism of the scribes and Pharisees, presenting the view that the Kingdom of Heaven has been taken away from them and given to the church. It emphasizes Jesus's role as the Son of David, Son of Man, and Son of God, and frames his teachings, miracles, and parables to reflect both Jewish law and the Christian church. It culminates in the Passion, Resurrection, and Great Commission, having been structured around alternating narratives and discourses.

The **TNT** Sunday School Class

In our Sanctuary/Education building we have three areas where we try to maintain an energy efficient temperature that can be adjusted as needed. These areas are the sanctuary, the parlor, and HeBrews. Each area has its own controls.

It has now become necessary, in an attempt to control the cost of heating and cooling in our Sanctuary/Education building, to turn off ALL units except in the sanctuary. Therefore, the parlor and HeBrews will no longer have AC/Heating units on. If you wish to use the parlor or HeBrews, please let the Property Committee Chair, Jim Spears, know. It will also be necessary to reserve the parlor or HeBrews by booking it through our Admin. Assistant, Tonya Shumake.

With everyone's help we can save on the cost of gas AND electricity.

Thank You!

IMPORTANT NOTE ABOUT PRAYER LIST

In recent discussions with the Southwest Region, it has come to our attention that “The Prayer List” may be cause for litigation if we place people on it that have not given their personal consent to be placed on it.

It is a violation of HIPAA Law to release information about anyone without their personal consent. Therefore, we ask that you not call requesting that a “friend” be placed on the list unless you have their consent.

THANK YOU.
